#Poema collection

#Poema di Olibò è una collezione favolosa ed incredibilmente versatile, declinata in 4 pattern diversi ma estremamente coordinabili tra loro per garantire a chi arreda una creatività unica, un design personale.

I 4 pattern sono disponibili in 3 serie di colori: il tema del verde, del bordeaux e dei terra. Il pattern POESIA racconta una storia vergata a mano, una lettera vintage abbinata ad antichi alfabeti. Il FOGLIAMI mette in scena la natura con grandi foglie di ficus e di piante acquatiche. Il LINEAR offre una sequenza astratta di righe in movimento molto suggestive e il TINTA UNITA di base può stemperare il tutto per chi ama un rigore più "minimal"

The Olibò's #Poema is a fabulous and exceptionally versatile collection, it comes in 4 different patterns, all extremely matchable to spread a unique creativity, a personal design.

The 4 patterns are available in 3 ranges of colours: the green, the bordeaux and the brown. The POESIA pattern tells an handwritten story, a vintage letter combined with an antique alphabet. The FOGLIAMI pattern stages a nature with big leaves of rubber plant and aquatic plants. The LINEAR pattern, a very evocative and abstract series of stripes in motion, and the basic TINTA UNITA pattern softens all for those who love the "minimal" details.
